## TILLER SLIM SEATING RANGE - ROSS DIDIER

### Detailing

Tiller Slim encourages full seating flexibility for both private and high-traffic public interiors. Offering a high level of customisation, the range is fabricated with moulded timber shells, steel frames and finished in resilient powder coated colours.

TILLER Slim includes a range of chairs and bar stools that stack easily across the models, and a task chair on castors with gas lift adjustability.

### Materials

American Oak moulded seating shells

\* Natural , painted , stained and upholstery options – fabrics and leathers

Steel fabricated frames

Powder coat finished to colour

Nylon glides

# Didier™

TILLER Slim studio seat	<b>TS-CH.TASK_UPH.SEAT</b>	660 Dia x 770 – 900 high / 440 – 570 mm seat height

## Care instructions

\* Dust and wipe powder-coated metal legs with a soft, damp cloth.

Dust and wipe timber seat shells with a soft, damp cloth. Fabric and leather companies have their own 'care and maintenance' instructions for each product. Didier recommends always reading the label of any cleaning products and not using cleaning agents containing abrasives or solvents.
