TILLER OAK SEATING RANGE - ROSS DIDIER

Detailing

Evoking the forms and angles of pre-industrial tilling ploughs, and very much connected to the earth, the Tiller seating collection is made using solid oak and beautiful tailored upholstery.

These seating designs achieve unique character through crafted detail where the engineering is disguised within a refined and sculpted aesthetic. The range includes a chair, lounge armchair and bar stool.

Materials

Solid American Oak

Moulded timber seat shells

Premium foam padding

* upholstery options – fabrics and leathers

Colour

Natural oak frames * other stain colours by request

Upholstered shells to specification

Care instructions

* Dust and wipe timber frames with a soft, damp cloth. Vacuum fabrics regularly.

Fabric and leather companies have their own 'care and maintenance' instructions for each product. Didier recommends always reading the label of any cleaning products and not using cleaning agents containing abrasives or solvents.
